

2-PAM Chloride

In the air
On the ground
Sarin's in the subway
2-Pam's not around

2-Pam, Chloride

It's a magic moment
Gets under your skin
How long can you hold your breath
Before you let it in

2-Pam, Chloride

Tokyo Center
Nerve's shutting down
Run out of atropine
2-Pam's not around

2-Pam, Chloride
